

WELLINGTON CAR CLUB (INC.)

Bulletin Oct - Nov 2011

Welcome to the Bulletin for October and November.

Rallies, sprints, racing and organisation..... It has been a full on couple of months recently, where many of our members have been involved in both organising and competing.

The Daybreaker Rally was very successful for all involved. Ryan Stevens has continued his winning ways with wins at both Port Road and Admirals Road. Plus the most recent event saw race wins by Don McLean at the MG Classic Race Meeting.

Behind the scenes the committee have been very busy organising the finals of the NZ Hillclimb Champs, which is set for March next year.

If we have missed mentioning your good results then please contact Jody to let him know so that we can skite about your efforts in this bulletin and on our facebook page.

Read on and find out more.

AGM

The turnout was disappointing to say the least, but we managed to get a quorum and deal to the agenda.

The good news is that the current excellent team are continuing on to guide the club forward. However we do need to continue to bring new blood through to support those who have already stepped up to learn from the old farts.

As mentioned in the Presidents Report, "on behalf of the club I would like to thank, Craig and Julie of Harbour City Security for their support, John & Chris at Action Auto's for letting us use their premises for scrutineering, Quality Demolition for the use of barriers, Capital Ford Mazda for supplying us with support vehicles and prizes. Wellington Free Ambulance, Anthony Parolli and all the others for their continued help and support around our events."

Membership Subscriptions

Thank you to all those who have renewed your subscriptions. Also a reminder about the new categories, where Non-Competing Membership and Family Memberships are provided at heavily discounted rates. Don't be afraid to tell other people about these as well.

Daybreaker Rally

Thank you to all of our members who helped on the day, helped with organisation, and who competed. It was a great event and a great platform on which to build for future events.

NZ Hillclimb Championships

Motorsport NZ will again be running the Hillclimb Champs, and we, Wellington Car Club have put up our hand to run the finals on 17-18 March 2012. This will form part of our 70th Anniversary celebrations.

After a lot of work by the committee we can confirm that we are looking to use Valley View as the gravel hillclimb and Alexandra Road as the seal hillclimb. Valley View will likely be in a slightly modified form to the event that Kapiti Car Club runs it, but Alexandra Road will be the same as usual.

As a result we will need to have two event teams, one to look after each event, and that will mean added man power requirements. As you guessed we will be looking for all the help and assistance we can get, leading up to the weekend and to run the events on the days.

Please keep your diaries clear and if you can assist in any way contact any of the committee members. We will be needing all of you to help to make this a success, in the way people have come to expect from Wellington Car Club.

70 Years Young

Yes..... next year the club will be 70 years young. Hard to believe because many of you will remember the 50th anniversary like it was, well not long ago.

The committee thought it was a particularly good time to celebrate this achievement, and will be organising activities for next year.

If you have any suggestions on what to do, or want to be involved in helping to make this milestone

Thanks to Craig Shepherd and his team for their on going support
