

# WELLINGTON CAR CLUB (INC.)

## Bulletin July 2010

Welcome to the Bulletin for Winter.... Brrrr it's cold.

Anyway.... there has been plenty of action in motorsport to keep us warm.

### PRIZEGIVING

What a wonderful evening was had by a significant number of our members and some from other clubs as well.

Well done to all of our prize winners, especially Mark Anstis who took away a huge haul of cups. This is what happens when you are under 25, drive a 1300cc car and do almost an event a month.

Don McLean is our overall champion with the most points over all events both local and regional. Ryan Stevens took out the highest points for a WCC member at WCC events.

Lewis Scott and Stu Owers made excellent speakers (despite their modest protestations otherwise) on their racing exploits at Nurburgring 24 hour race this year and last. Apart from the awesome racing and in-car footage, it was interesting to hear about the German's attitude to personal responsibility and getting on with it. No namby pamby safety cars there.

Mark Anstis with his Winning haul.

### Membership Subscriptions

Yes people it is that time of year again. Your club membership expires at the end of July. Invoices will be sent out soon. If you are planning to compete in Early August you need to contact Brian Budd ASAP to get your renewal processed.

Unfortunately the committee has been forced to increase the membership fee from \$60 to \$65 (incl GST). This is due to MSNZ increasing the capitation levy, and the club being unable to cover this cost, especially as we haven't increased the fee for, well we can't remember when.

The good news is that we will absorb the increase in GST later in the year, so this will be the only increase in membership fees at this time.

### WCC AGM

The club AGM has been set for Tuesday 28 September 2010. See the separate notice attached to this bulletin. If you wish to add anything to the Agenda, please contact Jody Seabright (details above) ASAP.

We will hold the AGM at our clubrooms (with the nice new heaters now installed), where we will open the archives at the end of the meeting. We haven't had a look at all of the old cutting and new clippings from events in the 60s and 70s, especially the international New Zealand Rallies we ran at that time. It is a real treasure trove and well worth looking at again. Mark your diary now!!!

## Clubnight

The next event is being organised for August, and will hopefully be an Indoor Go-Kart "Multi-Club" event with Harbour Capital and Hutt Valley clubs.

More details as soon as date and venue has been confirmed.

## Shelly Bay

We are already in the process of organising this event for Sunday 26 September. Earlier than last year, so you can get some practice in before Targa.

Mark your diaries now and keep that weekend free.

## Succession Plan for the Club Committee

Thank you to Paul Berkhan and Sam Tuckey for assisting the committee this year.

The committee is still keen to have others moving up and through the ranks, so if you can help the committee in any way possible, please contact one of the members listed above.

More hands make light work, especially as we would like to run more events and to have new enthusiasm drive the club forward into the future.

It is time to pass the baton from the current committee to new people. That way the club runs a lot better and so do events.

WCC has always set high standards and we wish to continue those on into the future.
