

WELLINGTON CAR CLUB (INC.)

Bulletin March 2010

It's March and Alexandra Road is upon us already.

A big stack of events has seen many of our club competitors out playing. Now with Alexandra Road we have a fine and outstanding crop of WCC members to uphold the club's honour.

We look forward to seeing you all on the day.

Clubnight

This month will be combined with the Alexandra Road Hillclimb. See you at the clubrooms this coming Sunday at about 5:30pm, depending on how the event goes.

The best plan is to come to Alexandra Road during the day and then come back for refreshments afterwards.

Alexandra Road Hillclimb

Yes it is on this weekend, Sunday 14th March. We have a full field of 55 cars already, so it is going to be a fantastic event.

If you aren't competing or if you have friends who are coming down, then we would appreciate your support by helping to marshall or assist on the day.

Bernie Keith and Melissa Keith will gladly take your names and assign cool jobs for you to do. Call them NOW! Bernie's contact details are above and you can contact Melissa on 027 244 3522 or email tru_kiwi_grl@hotmail.com

Succession Plan for the Club Committee

In the last Bulletin we talked about the need for more assistance from you, our members.

Apart from the assistance needed to run more events and the like, the real issue the club (we / you / us) needs to address is our succession plan. In other words how do we pass the baton from the current committee to new people?

The committee don't just want to dump new people in the deep end by resigning at various times because they are worn out. It is far better to train

Committee

and guide new people using the extensive knowledge base they have gained.

That way the club runs a lot better and so do events.

WCC has always set high standards and we wish to continue those on into the future.

Therefore the committee is looking for people to put their hand up and become part of the committee. Talk to one of the current committee members and get an insight into the commitment involved. It may not be as much as you first thought.

Whariti Road Hillclimb

Three of our members (that I know of) were at the very challenging hillclimb known as Whariti Road.

Tony Dixon was a very creditable second in class and 5th overall. Anthony Paroli was having a magnificent battle for top 2WD honours, until he broke a front hub and his day was cut short. However he had still done enough for second fastest 2WD. Marty Smith, who has bought Jeff Ward's Legacy (in Rothmans colours), also had a fine day to finish 11th overall and 6th in class. Well done to all of our team.
