

WELLINGTON CAR CLUB (INC.)

Bulletin November 2006

Hello to all for the November Bulletin.

Targa is all over and a number of our club members did very well.

Well done to Mark and Chris Kirk-Burnnand. Taking their BMW M3 to 29th overall and 2nd in class 6A

Just behind them were Craig Shepherd and Lew Henderson. 32 Overall and 3rd in Class 6A

Unfortunately for Gary Morgan and Richard Skilton, they withdrew. As did Ted Clay who was co-driver for Roger Lago in a Porsche 996. After getting the car back together after a crash, it wasn't handling right, so the team pulled out rather than risk a bigger one.

November Club Night

WCC AGM.

Tuesday 21 November
7:30pm

Car Club Rooms
Russell Tce,
Newtown.

An added highlight will be Ted Clay coming in to talk about his experiences on the Targa, including (hopefully) video from their in-car camera.

AGM

Apart from general business we will also be discussing the future of the club.

Make sure you are there to have your say.

God knows what Jody might suggest otherwise.

After excellent work by Spiral Web Design our web site is been overhauled and revamped. A small group is now working to update the information on the site so that it is relevant and up to date.

Additionally, on Jody Seabright's web site, he has set up a Forum discussion group. As a part of that there is a section for Wellington Car Club members, and a private section exclusively for WCC members that others cannot access.

Register on

<http://seabrightmotorsport.co.nz/forum/index.php>

and also email Jody to let him know, he will then give you the exclusive access. This will provide a valuable discussion tool for our members.

Future Events

Sunday 19 November is a busy day in the region. You can chose to do either Gravel or Seal.

Admiral Road just out of Carterton is another popular seal hillclimb. Contact Reece Pope on 021 2158781 for more info.

These are great events close to home, so make sure you get an entry in ASAP.

Alexandra Road

Talking of future events, the committee is looking to run Alexandra Road early next year. Talks are being held with the council and a date in early March is being suggested. More info as soon as things have been confirmed.
