## Bulletin October 2009

Hello to all for the October Bulletin.

Our AGM has come and gone, and once again the same people have taken up the reins to keep the club running.

Thank you to all those who were at the AGM and thank you to all those who stood again.

### October Clubnight

We don't have a clubnight of our own planned for October, however Kapiti Car Club has organised Bob McMurray as guest speaker for their clubnight.

He is such an excellent speaker who says his mind, especially on the recent F1 dramas, that we encourage you all to head up the coast and be a part of this event.

Ron and the team are in final preparations for Targa as I write this, and the car is about to go to the sign writers, so it will look a bit different as Ron thrashes it about the back roads of the north island.

We encourage you all to support Ron and you can make a donation direct to the team to support their competition costs. Half of the money donated to Ron directly will go to the Cancer Society, so you get to support two good causes in one hit. How good is that!

## **Your club needs you**

The strength of any club is only as good as the support and assistance it receives from its members, "That's you". Your club will benefit if "You" decide to assist.

The committee has been very busy in various ways, and in order for the club to continue to function (and actually run events) there needs to be more assistance from the members.

Assistance by standing to be on the committee, or co-opted to be on committee is always appreciated, but if you can't commit to doing that, then it need be only for one small amount of input in the next twelve months.

Examples are.

- Assisting to run an event,
- Suggesting to the Committee what you would like for club nights,
- If you have any "secret" venues that may be suitable for, speed nonspeed or novelty events,
- Attend club nights,
- Attending the AGM, and/or as well indicating that "you" would like to be on the committee.
- Any other issues that "you" think that the club should consider.

-----  
We are now three years on from the note above that was in the Club Bulletin, we still need your help; please call if you can assist in any small way.

Bernie, Gordon, Murray, Brian, Jody, Ian.
