

WELLINGTON CAR CLUB (INC.)

Bulletin September - October 2014

Welcome to the September - October Bulletin.

The committee were wondering why the club had such a large bill from Motorsport NZ. What it means is that the club is continuing to grow, now with over 110 members at the end of our last financial year. That is fantastic. So it is onward and upward.

Shelly Bay Sprint

What a fantastic event. Thank you to everyone who helped and competed. We didn't kill any cars and everything went so well that there was time for a 4th (unofficial) run for those who wanted.

Wade Noedl won the event, but well done to our members who did the club proud. Ryan Stevens was second, despite dramas with a broken shock mount, and to David Graham, who was fastest in Class B and 4th overall.

Also a mention to Don McLean, who took out his newly (re)acquired Barina. Class A had competition again, and 18th overall is a good result.

Now onto thinking about Alexandra Rd.

AGM

With the club growing so well, the club needs some people to assist the committee. Please seriously consider what you are able to offer and how you might be able to help.

The club is also looking for input on how best to take the club forward, to continue our impressive and lasting legacy into the future.

Thanks to Craig Shepherd and his team for their on going support

Bring your ideas and yourself down to the AGM, so we can work together to make the club even better.

Roles that definitely need people to assist are:

Treasurer. Not a big job, just a few hours each month, with training from Brian provided.

Communications, we need someone to take charge of the web site, facebook page and the bulletin to keep in contact with the membership and the public. Again, not a big commitment, just a bit here and there, with assistance from Jody.

One role we would like to re-introduce is that of **Points Keeper.** Minimal work each month, so if you are able to do this then please let us know.

We look forward to seeing you all at the club rooms on 28th October.

Coming Events - 2014

Club Members In Action

Daybreaker Rally

Hmmmm, it looks like the members in action at this event were the ones out marshalling and volunteering. Thank you to Mark Anstis, the Keith family (and family in waiting), and others who we probably saw out there but can't remember just right now.

Rally Xtreme

A super well done and congratulations to Marty Smith. He won the Rally Xtreme Challenge - Club 4WD class outright for the second time. Consistent results, and determined driving, against tough competition at times, saw Marty win each round he entered. Another well deserved win.

Puketiro Road.

Marty Smith has been a busy boy these last two months. As a shakedown for the last round of Rally Xtreme he also went out and took 2nd at Puketiro Rd. Hot on his heels was Mark Kibble, only a second or so back, to take third overall. Well done lads.

Wairongomai Road

This gravel sprint saw a different pair upholding the club honour. Murray O'Neil was back out in his Evo 2, while el Presidente Gordon Diggle took his Subaru Imprezza for a spin. Only half a second separated Murray from the winner, but second in the old car was a great result. Gordon was only a couple of seconds further back and he took 4th overall.

Great to see the club still being well represented at gravel sprint events.

These are the only events we've been told about, so if you have been out competing, then please make sure you email the details to wcc@seabrightmotorsport.co.nz so we can share your exploits with the rest of the club.
